## **II. Article II**

### **1.0 DEFINITIONS**

Special meanings are given to common words in the telecommunications industry, and coined words and acronyms are common in the custom and usage in the industry. Words used in this contract are to be understood according to the custom and usage of the telecommunications industry, as an exception to the general rule of contract interpretation that words are to be understood in their ordinary and popular sense. In addition to this rule of interpretation, the following terms used in this Agreement shall have the meanings as specified below:

1.1 "Act" means the Communications Act of 1934, as amended.

1.2 "As Defined in the Act", means as specifically defined by the Act.

1.3 "As Described in the Act" means as described in or required by the Act.

1.4 "Affiliate" means a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For purposes of this paragraph, the term "own" means to own an equity interest (or the equivalent thereof) of more than 10 percent.

1.5 "Central Office Switch" means a switch used to provide Telecommunications Services, including, but not limited to:

(a) "End Office Switch" is a switch in which the subscriber station loops are terminated for connection to trunks. The subscriber receives terminating, switching, signaling, transmission, and related functions for a defined geographic area by means of an end office switch.

(b) "Remote End Office Switch" is a switch in which the subscriber station loops are terminated. The control equipment providing terminating, switching, signaling, transmission, and related functions would reside in a host office. Local switching capabilities may be resident in a remote end office switch.

(c) "Host Office Switch" is a switch with centralized control over the functions of one or more remote end office switches. A host office switch can serve as an end office as well as providing services to other remote end offices requiring terminating, signaling, transmission, and related functions including local switching.

(d) "Tandem Office Switch" is a switching system that establishes trunk-to-trunk connections. Local tandems switch calls from one end office to another within the same geographic area, and access tandems switch traffic from host or end offices to and from an interexchange carrier. A tandem office switch can provide host office or end office switching functions as well as the tandem functions.

A Central Office Switch may also be employed as a combination End Office/Tandem Office Switch.

1.6 "Commercial Mobile Radio Services" or "CMRS" means Commercial Mobile Radio Services as defined in 47 CFR part 20.

1.7 "Commission" means the Public Service Commission of South Carolina.

1.8 "Effective Date" means the date first above written.

1.9 "FCC" means the Federal Communications Commission.

1.10 "Interconnection" for purposes of this Agreement is the linking of PRTC and Triton networks for the exchange of telecommunications traffic described in this Agreement.

1.11 "Interexchange Carrier" or "IXC" means a carrier that provides or carries, directly or indirectly, InterLATA Service or IntraLATA Toll Traffic.

1.12 "InterLATA Service" means telecommunications between a point located in a local access and transport area and a point located outside such area.

1.13 "IntraLATA Toll Traffic" means those intraLATA station calls that are not defined as Local Traffic in this Agreement.

1.14 "Local Access and Transport Area" or "LATA" is as defined in the Act.

1.15 "Local Traffic" for purposes of compensation under this Agreement is defined as telecommunications traffic that (a) is originated by a customer of one Party on that Party's network, (b) terminates to a customer of the other Party on the other Party's network within the same Major Trading Area (MTA), and (c) may be handled pursuant to an agreement between the originating Party and a carrier which performs only a transiting function for the originating Party in lieu of a direct connection between the Parties, provided that the customer of Triton is a two-way CMRS customer and receives mobile service on a wireless, mobile basis as described in 47 U.S.C. §153(27). For purposes of determining originating and terminating points of a call on the Triton network under this agreement, the originating or terminating cell site locations will be used as the point of call origination and termination, respectively.

1.16 "Local Exchange Carrier" or "LEC" means any person that is engaged in the provision of telephone exchange service or exchange access. Such term does not include a person insofar as such person is engaged in the provision of a commercial mobile service under section 332(c) of the Act, except to the extent that the Federal Communications Commission finds that such service should be included in the definition of such term.

to the FCC proceeding entitled "Amendment to the Commission's Rules to Establish New Personal Communications Services" (GEN Docket No. 90-314; ET Docket No. 92-100), or any successor proceeding.

1.19 "Mobile station" means a radio-communication station capable of being moved and which ordinarily does move.

1.20 "Non-Local Traffic" - All traffic which is not Local Traffic as defined in Section 1.15 hereof is Non-Local Traffic and will not be subject to Reciprocal Compensation.

1.21 "NPA" or the "Number Plan Area" also referred to as an "area code" refers to the three-digit code which precedes the NXX in a dialing sequence and identifies the general calling area within the North American Numbering Plan scope to which a call is to be routed (i.e., NPA/NXX-XXXX.).

1.22 "NXX" means the three-digit code, which appears as the first three digits of a seven-digit telephone number within a valid NPA or area code.

1.23 "Reciprocal Compensation" means an arrangement between two carriers in which each receives compensation from the other carrier for the transport and termination on each carrier's network of Local Traffic, as defined in Section 1.15 above, that originates on the network facilities of the other carrier. Reciprocal Compensation, regardless of the Party that receives it, is based on PRTC's cost of transport and termination.

Section 226(a)(2)). A telecommunications carrier shall be treated as a common carrier under this chapter only to the extent that it is engaged in providing telecommunications services, except that the Federal Communications Commission shall determine whether the provision of fixed and mobile satellite service shall be treated as common carriage.

1.27 "Termination" means the switching of Local Traffic at the terminating carrier's end office switch, or equivalent facility, and delivery of such traffic to the called party's premises.

1.28 "Transiting Traffic" is traffic that originates from one provider's network, "transits" one or more other provider's network substantially unchanged, and terminates to yet another provider's network.

1.29 "Transport" means the transmission and any necessary tandem switching of Local Traffic subject to Section 251(b)(5) of the Act from the interconnection point between the two carriers to the terminating carrier's end office switch that directly serves the called party, or equivalent facility provided by a carrier other than an incumbent LEC.

1.30 "Type 1 Service" often referred to as a line-side trunk connection, is a service that involves connection to a telephone company end office similar to that provided to a private branch exchange (PBX). A type 1 Service is offered in connection with the provision of telephone numbers hosted by a PRTC switch.

Triton represents that it is a CMRS provider of communications services to subscribers within MTA No. 6, Charlotte-Greensboro-Greenville-Raleigh, as designated by the FCC. Triton's NXXs are listed in Attachment B hereto.

This Agreement is limited to traffic of PRTC end user customers for which PRTC has tariff authority to carry. This Agreement is limited to traffic of Triton end user customers to which Triton provides service on a two-way wireless, mobile basis. This Agreement does not cover traffic of Triton end user customers that are not utilizing a mobile station, as defined in the Communication Act of 1934.

#### **4.0 SERVICE AGREEMENT**

Description of Arrangements. This Agreement provides for the following interconnection and arrangements between the networks of PRTC and Triton. Additional arrangements that are agreed to in the future in writing by the parties hereto will be as signed by such parties and attached as Attachment C to this agreement. Type 2 interconnection and arrangements are based on the existing rate center designation for Triton's NPA/NXX. Triton shall notify PRTC, in writing, of any change to the rate center designation for any Triton NPA/NXX(s) rate centered at Laurens Rural, sixty days in advance of making such change. Routing of traffic shall be as described in this section, except that alternatives may be employed in the event of emergency or temporary equipment failure.

This trunk group is provisioned in connection with Triton's NPA/NXX(s) that have rate center designation of Laurens Rural exchange. Applicable tariff charges for establishing and provisioning these trunk groups are billed by PRTC to Triton. The Type 2-A service involves the PRTC landline homing arrangement of Triton's NPA/NXX rate centered at Laurens Rural.

##### **A. Landline to Wireless:**

4.2 Indirect Traffic to PRTC. To the extent that Triton and BellSouth, or Triton and another LEC, have entered into or may enter into contractual arrangements for the delivery of Triton traffic to PRTC for termination to PRTC's customers (i.e. traffic that is not covered elsewhere in this Agreement), PRTC will accept this traffic subject to compensation arrangement as outlined in Section 5 below.

PRTC shall prepare a monthly billing statement to Triton which will separately reflect the calculation of Reciprocal Compensation, Terminating Compensation, Originating Compensation, Transiting Compensation, and total compensation due PRTC.

5.5.3 PRTC shall use total originating traffic recorded by PRTC, and total terminating traffic recorded by PRTC and/or BellSouth for billing Triton.

5.5.4 To facilitate this billing by PRTC, Triton shall provide PRTC on a monthly basis with Triton aggregated usage information showing:

- (a) Local minutes and Non-Local minutes (separately) of traffic originated on Triton's network that terminate to PRTC customers, as described in Sections 4.1.B, 4.2, and Attachment C as applicable (i.e, traffic subject to Reciprocal Compensation in accordance with Section 5.1, above or Terminating Compensation as provided for in Section 5.2 above).

5.5.5 In the event that Triton does not wish to provide the detailed information specified in Section 5.5.4 on a monthly basis, both Parties agree to apply either a factor derived ("Sample Factor") or a default factor, as specified below. The Sample Factor shall be derived based on actual usage for a representative three consecutive month period, agreed upon by both Parties. This factor shall be updated annually, unless agreed to otherwise by both Parties. The billing will be based on one of the following options: (a) detailed measured Non-Local usage provided by Triton in accordance with Section 5.5.4, (b) application of Sample Factor to the total recorded originating and terminating usage, or (c) application of a 25% Non-Local factor to the total recorded originating and terminating usage. The option agreed upon by both Parties, shall be effective for the initial term of this Agreement and shall automatically renew for successive twelve-month periods, unless either Party requests otherwise and notifies the other Party in writing at least ninety (90) days prior to automatic renewal.

5.5.6 Each party may request to inspect, during normal business hours, the records which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 24 months in age from the date the monthly bill containing said record information was issued.

## **6.0 NOTICE OF CHANGES**

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

## **7.0 GENERAL RESPONSIBILITIES OF THE PARTIES**

7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with Section 5, measuring and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in a mutually acceptable format, and to terminate the traffic it receives in that mutually acceptable format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.

7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.

7.3 Each Party is responsible for administering NXX codes assigned to it.

7.4 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of the Common Language Location Identifier ("CLLI") assigned to its switches.

7.5 Each Party shall use the LERG published by Bellcore or its successor (Telcordia) for obtaining routing information and shall provide all required information to Telcordia for maintaining the LERG in a timely manner.

## **8.0 TERM AND TERMINATION**

8.1 Subject to the provisions of Sections 13, the initial term of this Agreement shall be for one year ("Term") which shall commence on the Effective Date. This Agreement shall automatically renew for successive six-month periods, unless, not less than one hundred twenty (120) days prior to the end of the Term or any renewal term, either party notifies the other party of its intent to terminate this Agreement.

8.2 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

8.2.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the

"Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment is required, the Non-paying Party shall pay the disputed amounts with interest at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under South Carolina's applicable law. In addition, the Billing Party may cease terminating traffic for the Non-paying Party after undisputed amounts not paid become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.

If the Parties are unable to resolve issues related to the Disputed Amounts within (120) days after the initial dispute, then either Party may file a complaint with the Commission to resolve such issues or proceed with any other remedy at law or in equity. The Commission may direct payment of any or all funds plus applicable late charges to be paid to either Party.

#### **Dispute Resolution Procedures.**

##### **Negotiation and Mediation:**

- (i) Either party to the Agreement may from time to time call a special meeting for the resolution of a dispute or disputes that materially impact the Parties' rights and obligations under this Agreement. Such meeting shall be held at a mutually agreeable location, within ten (10) Business Days of a written request, which request shall specify in reasonable detail the nature of the dispute to be resolved at the meeting. The meeting shall be attended by representatives of the Parties to the Agreement, and any other party affected in any material respect by the resolution of the disputes. Such representatives shall have authority to settle the dispute and shall attempt in good faith to resolve the dispute.
- (ii) If the dispute has not been resolved within ten (10) days after the special meeting has been held, a mediator, mutually acceptable to the parties, shall be appointed. The cost of the mediator shall be shared by the parties. The mediator shall be given written statement(s) of the parties and may review the site and any relevant documents. The mediator shall call a meeting of the parties affected by such dispute within twenty (20) Business Days after the mediator's appointment, which meeting shall be attended by representatives of the parties with

authority to settle the dispute. During the twenty-day (20-day) period, the mediator may meet with the affected parties separately.

- (iii) No minutes shall be kept and the comments and/or findings of the mediator, together with any written statements prepared, shall be nonbinding, confidential, and without prejudice to the rights and remedies of any party. The entire mediation process shall be completed within thirty (30) business Days of the date upon which the special meeting referred to above is held, unless the parties agree otherwise in writing. If the dispute is settled through the mediation process, it will be implemented by written agreement signed by all affected parties. The cost of mediation shall be borne equally by the parties.

**(b) Arbitration:**

- (i) As a condition precedent to arbitration, the parties shall endeavor to resolve their disputes using business-like negotiation and mediation, as provided for above. Any claim, dispute, or controversy arising out of or relating to the Agreement not so resolved shall be submitted to the Commission for arbitration or other resolution pursuant to the Commission's regulations. The award rendered by the Commission shall be final and judgment may be entered upon it in accordance with applicable law in any court of competent jurisdiction.
- (ii) Any demand for arbitration hereunder must be filed within a reasonable time of the occurrence of the facts giving rise to the dispute. In no event shall any demand for arbitration be filed after the running of any applicable statutes of limitation.
- (iii) The parties shall promptly proceed with performance of their respective obligations under the Agreement pending resolution of any claim or dispute, and failure to do so is a material breach of the Agreement.

8.2.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged South Carolina's applicable law.

8.2.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.

8.3 Upon termination or expiration of this Agreement in accordance with this Section:

- (a) Each Party shall comply immediately with its obligations as set forth above;
- (b) Each Party shall promptly pay all undisputed amounts (including any late payment charges) owed under this Agreement;
- (c) Each Party's indemnification obligations shall survive termination or expiration of this Agreement.

8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not correct the alleged default within thirty (30) days after receipt of written notice thereof.

#### **9.0 CANCELLATION CHARGES**

Except as provided herein, no cancellation charges shall apply.

#### **10.0 NON-SEVERABILITY**

10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.

10.2 Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

#### **11.0 INDEMNIFICATION**

11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

- (1) Damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;

(2) Claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and

(3) Claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, managers, members, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

(1) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.

(2) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

(3) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

## **12.0 LIMITATION OF LIABILITY**

12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, managers, members or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

12.2 Except as otherwise provided in Section 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of negligence or willful misconduct.

12.3 In no event shall either Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages.

### **13.0 REGULATORY APPROVAL**

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under Section 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

### **14.0 PENDING JUDICIAL APPEALS AND REGULATORY RECONSIDERATION**

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or

reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

## **15.0 MOST FAVORED NATION PROVISION**

In accordance with Section 252(i) of the Act, Triton shall be entitled to obtain from PRTC any Interconnection/Compensation arrangement provided by PRTC to any other CMRS provider that has been filed and approved by the Commission, for services described in such agreement, on the same terms and conditions.

## **16.0 MISCELLANEOUS**

### **16.1 Authorization**

16.1.1 PRTC is a corporation duly organized, validly existing and in good standing under the laws of the State of South Carolina and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

16.1.2 Triton is a limited liability company duly organized, validly existing and in good standing under the laws of the State of **Delaware** and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

16.2 Compliance. Each Party shall comply with all applicable federal, state, and local laws, rules, and regulations applicable to its performance under this Agreement.

16.3 Independent Contractors. Neither this Agreement, nor any actions taken by Triton or PRTC in compliance with this Agreement, shall be deemed to create an agency or joint venture relationship between Triton and PRTC, or any relationship other than that of purchaser and seller of services. Neither this Agreement, nor any actions taken by Triton or PRTC in compliance with this Agreement, shall create a contractual, agency, or any other type of relationship or third party liability between Triton and PRTC end users or others.

16.4 Force Majeure. Neither Party shall be liable for any delay or failure in performance of any part of this Agreement from any cause beyond its control and without its fault or negligence including, without limitation, acts of nature, acts of civil or military authority, government regulations, embargoes, epidemics, terrorist acts, riots, insurrections, fires,

explosions, earthquakes, nuclear accidents, floods, work stoppages, equipment failure, power blackouts, volcanic action, other major environmental disturbances, unusually severe weather conditions, inability to secure products or services of other persons or transportation facilities or acts or omissions of transportation carriers (collectively, a "Force Majeure Event"). If any Force Majeure Event occurs, the Party delayed or unable to perform shall give immediate notice to the other Party and shall take all reasonable steps to correct the Force Majeure Event. During the pendency of the Force Majeure Event, the duties of the Parties under this Agreement affected by the Force Majeure Event shall be abated and shall resume without liability thereafter.

## 16.5 Confidentiality

16.5.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law, upon advice of counsel, only in accordance with Section 16.5.2 of this Agreement.

16.5.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may then seek appropriate protective relief from all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief which such Disclosing Party chooses to obtain.

16.5.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

16.6 Governing Law. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the FCC, the exclusive jurisdiction and remedy for all such claims shall be as provided for by the FCC and the Act. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the Commission, the exclusive jurisdiction for all such claims shall be with the Commission, and the exclusive remedy for such claims shall be as provided for by such Commission. In all other respects, this Agreement shall be governed by the domestic laws of the State of South Carolina without reference to conflict of law provisions.

16.7 Taxes. Each Party purchasing services hereunder shall pay or otherwise be responsible for all federal, state, or local sales, use, excise, gross receipts, transaction or similar taxes, fees or surcharges levied against or upon such purchasing Party (or the providing Party when such providing Party is permitted to pass along to the purchasing Party such taxes, fees or surcharges), except for any tax on either Party's corporate existence, status or income. Whenever possible, these amounts shall be billed as a separate item on the invoice. To the extent a sale is claimed to be for resale tax exemption, the purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption. Failure to timely provide such sale for resale tax exemption certificate will result in no exemption being available to the purchasing Party.

16.8 Assignment. This Agreement shall be binding upon the Parties and shall continue to be binding upon all such entities regardless of any subsequent change in their ownership. Each Party covenants that, if it sells or otherwise transfers to a third party, unless the Party which is not the subject of the sale or transfer reasonably determines that the legal structure of the transfer vitiates any such need, it will require as a condition of such transfer that the transferee agree to be bound by this Agreement with respect to services provided over the transferred facilities. Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity acquiring all or substantially all of its assets or equity by providing prior written notice to the other Party of such assignment or transfer. Any attempted assignment or transfer that is not permitted is void ab initio. Without limiting the generality of the foregoing, this

Agreement shall be binding upon and shall inure to the benefit of the Parties' respective successors and assigns.

16.9 Non-Waiver. Failure of either Party to insist on performance of any term or condition of this Agreement or to exercise any right or privilege hereunder shall not be construed as a continuing or future waiver of such term, condition, right or privilege.

16.10 Notices. 16.11 Publicity and Use of Trademarks or Service Marks. Neither Party nor its subcontractors or agents shall use the other Party's trademarks, service marks, logos or

other proprietary trade dress in any advertising, press releases, publicity matters or other promotional materials without such Party's prior written consent.

16.12 Joint Work Product. This Agreement is the joint work product of the Parties and has been negotiated by the Parties and their respective counsel and shall be fairly interpreted in accordance with its terms. In the event of any ambiguities, no inferences shall be drawn against either Party.

16.13 No Third Party Beneficiaries; Disclaimer of Agency. This Agreement is for the sole benefit of the Parties and their permitted assigns, and nothing herein expressed or implied shall create or be construed to create any third-party beneficiary rights hereunder. Except for provisions herein expressly authorizing a Party to act for another, nothing in this Agreement shall constitute a party as a legal representative or agent of the other Party; nor shall a Party have the right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against, in the name of, or on behalf of the other Party, unless otherwise expressly permitted by such other Party. Except as otherwise expressly provided in this Agreement, no party undertakes to perform any obligation of the other Party, whether regulatory or contractual, or to assume any responsibility for the management of the other Party's business.

16.14 No License. No license under patents, copyrights, or any other intellectual property right (other than the limited license to use consistent with the terms, conditions and restrictions of this Agreement) is granted by either Party, or shall be implied or arise by estoppel with respect to any transactions contemplated under this Agreement.

16.15 Technology Upgrades. Nothing in this Agreement shall limit either Parties' ability to upgrade its network through the incorporation of new equipment, new software or otherwise, provided it is to industry standards, and that the Party initiating the upgrade shall provide the other Party written notice at least ninety (90) days prior to the incorporation of any such upgrade in its network which will materially impact the other Party's service. Each Party shall be solely responsible for the cost and effort of accommodating such changes in its own network.

16.16 Scope of Agreement. This Agreement is intended, inter alia, to describe and enable specific Interconnection/Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein.

16.17 Entire Agreement. The terms contained in this Agreement and any Schedules, Exhibits, tariffs and other documents or instruments referred to herein are hereby incorporated into this Agreement by reference as if set forth fully herein, and constitute the entire agreement between the Parties with respect to the subject matter hereof, superseding all prior understandings, proposals and other communications, oral or written. Neither Party shall be bound by any preprinted terms additional to or different from those in this Agreement that may appear subsequently in the other Party's form documents,

purchase orders, quotations, acknowledgments, invoices or other communications. This Agreement may only be modified by a writing signed by an officer of each Party.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of this 24<sup>th</sup> day of July, 2000.
